SECRETARY'S REPORT

The Androscoggin Amateur Radio Club held its' monthly meeting **Wednesday June 1, 2022** at the Great Falls Model Train Club in Auburn.

In attendance: w1lwt, n1zrl, Josh McAllister, kb1qhr, n1nyw, kc1qlg, n1oxa, kulu, ke4ucw.

- Keith, ke4ucw gave a presentation about ARES/RACES and "how HAM's can help." The presentation outlined how amateur radio can help in emergencies, what education it takes, licensing to join and the application process to apply. It was a great presentation.
- Due to circumstances beyond our editor, Deb Leonard's (kb1deb), control there was a delay in publishing the June issue of the newsletter and therefore the Secretary's report could not be approved. Paul, kb1qhr made a motion to postpone the vote to approve at the next meeting, once the report has been reviewed. Motion was seconded by Cory kulu. Vote was Approved.
- Treasurer's report was presented by Ivan. Motion to approve made by Cory kulu and seconded by Ron kc1qlg. Vote was approved.

- Discussion continued around Field Day 2022 plans. The ARES / RACES group will operate from Beaver Park in Lisbon and the club will operate from Jerry's house (k1wtx) in Turner with three stations.

The meeting was adjourned at 8:01pm.

Respectfully submitted,

Dick Knight n1nyw Secretary

Editors Note: If you have any items or topics you would like included in the newsletter, please forward to me before the 20th of each month. All submissions are subject to editing for continuity before sending for publishing. Please email your communications to: editor.kb1deb@gmail.com

Just a reminder: Newsletter Archives can now be found on the Androscoggin Amateur Radio Club website W1NPP (*see reference below*)
